CAPTAIN DATO' BADRUL HISHAM YUSOFF ASSOCIATE DIRECTOR

Captain Dato' Badrul Hisham Yusoff is a highly experienced aviation, safety, and enterprise risk leader with over 40 years of industry experience, spanning airline operations, governance, safety oversight, and risk management. A very motivated and versatile individual with a proven track record in leading teams, shaping organizational culture, and driving enterprise-wide transformation.

He has held senior leadership roles including Chief Risk Officer / Group Head of Enterprise Risk and Head of Corporate Safety Oversight for Malaysia Aviation Group (MAG), where he led major frameworks in ERM, BCM, sustainability, and safety. An accomplished trainer, facilitator, and human factors expert, having trained personnel across airlines, military organisations, and regulators.

He is recognised for his leadership, analytical strength, and ability to build strong stakeholder relationships across complex operational environments.
